

The Cottage Nursing Home

Situated just a few minutes from Mold town centre, The Cottage offers nursing care for 47 residents. Our focus is on the comfort and wellbeing of your loved one and to provide our residents with everything they need to feel relaxed in a familiar setting. We are known here for delivering great care as well as our daily changing menu.

- Dementia Care
- Respite Care
- Residential Care
- Palliative Care
- Nursing Care
- EMI Nursing

Price

Nursing Care	EMI Nursing Care
£1540 per week	£1760 per week

If financial circumstances change, your loved one's may be eligible for public funding through the local authority. This does not always cover the full amount and an agreement must be made for any monies outstanding.

.Often public funded residents are also eligible for FNC (funded nursing care) which will be added to the council fee, and we then also ask for a top up fee of usually £100 per week payable by a third party (usually family).

We also take residents that are funded by CHC (continuing healthcare).
